RE: Stanislaus County RMDZ Renewal Application

Dear Rob:

For the past 10 years, the Stanislaus County Recycling Market Development Zone (RMDZ) has served the County of Stanislaus and the nine incorporated cities within the County boundary. This letter will serve as a request to the California Integrated Waste Management Board from Stanislaus County and its nine incorporated cities for the designation of the Stanislaus County RMDZ to be renewed for an additional 10 years.

I will continue to be the Zone Administrator and am currently the Program Manager at the Stanislaus County Department of Environmental Resources, located at 3800 Cornucopia Way, Suite C, Modesto, California 95358. My telephone number is (209) 525-6700.

The following documents are attached to this letter to complete the RMDZ renewal application:

- Zone Renewal Form
- Executive Summary
- RMDZ Map and Zone Profile
- Update to the Market Development Plan
- Environmental Justice Comment Form
- Resolutions from the participating Jurisdictions
- Copies of applicable CEQA Documents

Mr. Robert Bauman

Thank you for your help on the renewal of our RMDZ. Please contact me if you have any questions or comments on this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "R. DeLong". The signature is fluid and cursive, with a large loop at the end.

Ron DeLong  
Stanislaus County RMDZ Zone Administrator
